

Project Details: NAeG/14-15/00118

Project id -	NAeG/14-15/00118
Name of The Project	IT Initiative in Kumbh Mela 2013 and magh mela at sangam prayag allahabad
Category of Award Applying for	Outstanding performance in Citizen-Centric Service Delivery
Date of Launch	26-06-2012
	<p>It was an idea for making a work of mela administration transparent and easy access for pilgrims, saint community, prayagwal (tirth purohit) as well as kalpwasi and public at large Before 2013, Kumbh events did not demonstrated the inclusion of IT enabled services. There was no computer and internet connectivity. There was manual work and there was not any web based concept. GPS/ Wi-fi/ Wi-Max was only day dream for kumbh mela. Distribution of land and facility was manually distributed in previous kumbh/ Ardh Kumbh/ Magh Mela. There was no concept of any informative website. Suvidha Parchi for Saint community and Prayagwal, Kalpwasi was issued manually which was very exastive work and making of Satyapan Register was more difficult. During previous Kumbh/ Ardh Kumbh, There was no milestone and various phases of works, concepts of computer based monitoring system similarly bhule bhatke sivr was organized on traditional basis based on Public Address System There was a need of software on which Review system of temporary and permanent work during Kumbh Mela, Software based distribution of land and facilities, GPS based survey of Mela Area and Online Lost and Found Centre (Khoya-Paya-Kendra), so with the help of nic Allahabad it was design and developed by a scientist A large number of temporary and permanent work has to be done during kumbh mela whose where completed in time with the help of ONLINE MONITORING system adopted for various milestone of various phases. Computerized Suvidha parchi was issued in the entire kumbh mela which was also online and public could access anywhere at any time. Online lost and found was an unique idea adopted in kumbh mela for the person who where left there relatives and tents. GPS based survey of offices of kumbh mela of about 2000 sanstha was completed during kumbh mela with the help of this GPS based system people could access their location in the kumbh mela. An informative website of kumbh mela i.e. kumbhmelaallahabad.gov.in was highly visited visitors attractive website during kumbh mela not only in India but also abroad The main aim of mela administration was transparency in the working of mela admin and easy access to pilgrims and saint community as well as public at large. With the help of computerization, computerized suvidha parchi was issued and these suvidha parchi was online which people may access any where any time. Similarly satyapan register and other information regarding sanstha is also online and saint community and prayagwal (tirth purohit) could access any information even today on the website of kumbhmelaallahabad.gov.in as in the menu SANSTHA. new An informative official web portal of kumbh mela 2013 was launched and all important information was uploaded on the portal. 24x7 Public enquiry system was established in the mela administration. Control room was also maintain in the main building of the mela administration. One of the unique system of the mela known as public address system was also 1. Online high level monitoring system of temporary and permanent work of kumbh mela 2013. 2. Online distribution of land and facilities i.e. computerized suvidha parchi for pilgrims and saint community. 3. GPS based survey of entire mela area. 4. Online lost and found (Khoya and paya kendra) attached with LED/ LCD screen.</p>
Summary/Objective of the project	
Beneficiary of the project	<p>Review system of temporary and permanent work during Kumbh Mela.This system was developed by NIC Allahabad. In this system total work of Kumbh Mela 2013 was divided into three phases and mile stone. In every phase there was a mile stone of each type of work and a certain time frame was allotted for its completion by the supervisory authority. Supervisory authority was nominated separately for each work and was monitored by Commissioner Allahabad Division Allahabad himself. Software based distribution of land and facilities during Kumbh Mela-Through this software land and facility allotments were done during Kumbh 2013. 60KM2 area and facilities worth 15 crore rupees was allotted among around 3000 religious and social institutes. This software eased the work of land and facility allotment. It was unique idea to feed the records of last Kumbh and Ardh Kumbh which can be made base for the monitoring the success for the present year i.e. Kumbh 2013. This software made working of Mela administration transparent and easy for pilgrims, saint community as well as Kalpwasis. GPS based survey of Mela Area Whole Mela area with all its 14 sectors, road networks, government offices, shops, police stations, fire stations,</p>

sansthas, pontoon bridges was surveyed through geo-tagging using an android application. All these places were made visible online. In these maps, details of the sector markets, sector offices, ration shops and important religious places were given. This technology was of great help to Mela officials and staff. Official and staff can get the proper location of every police station, bus station, fire station and other important places of the Mela area. Local visitors can get the exact route to their destination. This GIS helped foreign visitors a lot now they dont need any assistance from other. Their guide was going to be in their palm helping them to find their way. Online Lost and Found Centre Khoya Paya Kendra Software was developed

Details of Project Head

Name	Mela Administration, Kumbh Mela
Designation	Meladhikari
Gender	Male
Address	Triveni Bhavan, Veni Bandh, Daraganj, Allahabad,
Pincode	211006
State	Uttar Pradesh
Phone Number	0532250775
Mobile Number	9721111105
Email-ID	ramkumarshukla02@gmail.com

Details of team members, if any, other than Project Head:-

Name(1st team member)	Devesh Chaturvedi, IAS
Designation(1st team member)	Divisional Commissioner, Allahabad Division
Name(2nd team member)	Mani Prasad Mishra, IAS
Designation(2nd team member)	Meladhikari, Kumbh Mela, Allahabad.
Name(3rd team member)	Ashutosh Kumar Dwivedi, PCS
Designation(3rd team member)	Addl. Meladhikari, Kumbh Mela, Allahabad
