Project id -	NAeG/14-15/00148
Name of The Project	MahaGov Cloud (Maharashtra SDC initiative)
Category of Award Applying for	Innovative Use of Technology in e-Governance
Date of Launch	01-10-2012
	MahaGov cloud is envisioned as the Shared, reliable and secure infrastructure services centre for hosting and managing the e-Governance Applications of State and its constituent departments. MahaGov is envisaged to establish a robust infrastructure to enable the Government to deliver the services quickly and effectively to its stakeholders. The proposed State Data Centre, connected to the State Wide Area Network (SWAN), shall provide the access to the e-Governance applications & Services to Government employees through Intranet and to the citizens through public Internet/CSCs etc. Through such a Shared Service Centre implemented and managed by a competent Implementation Agency, the individual departments can focus more on the service delivery rather than on the issues surrounding the Infrastructure.
