Name of The Project	Samagra Samajik Suraksha Mission- Hoshangabad
Category of Award Applying for	Outstanding performance in Citizen-Centric Service Delivery
Date of Launch	01-03-2013
Summary/Objective of the project	<p>Most of the programmes of the State and Central government are focussed upon creating welfare schemes that benefit the marginalized sections. However, the schemes are so large in number that it spreads across various departments and thereby making accessibility an issue. The people have to run from one end to another in order for them to get their genuine work done. Thus, this result in loss of transparency process, harassment, reduced credibility of the government functioning, loss of time for both applicants as well as government officials as they have to cross verify the genuinity and in the end defeating the very purpose of the welfare schemes. The objectives of the SSSM has been to simplify and standardize the schemes and procedures, bring about a convergence of the schemes under a single umbrella known as the single window service delivery point for similar schemes under a department. All these will lead to better transparency and digitization of the details of the beneficiaries as well as will ensure better and easy monitoring and publicity of the scheme.</p> <p>Pensioners BPL, disabled, senior citizens, widows and destitute Students Ration Card holders</p> <p>District Administration</p>
