

## Project Details: NAeG/14-15/00095

<b>Project id -</b>	NAeG/14-15/00095
<b>Name of The Project</b>	eDashboards for poll Management and counting monitoring.
<b>Category of Award Applying for</b>	Innovative Use of Technology in e-Governance
<b>Date of Launch</b>	27-05-2013
<b>Summary/Objective of the project</b>	<p>Poll Day Dashboard: The eDashboard is web based software developed by NIC Haryana in coordination with CEO, Haryana. The dashboard populated through SMS from all polling booths in Haryana is decision making and monitoring tool for poll management. It shows latest information related to various events before and on polling day. At assembly level, the supervisors or sector officers were assigned up to 15 booths each on an average &amp; their registered mobile numbers were mapped with the booths assigned to them. The mapping of mobile Nos. with booths Nos. helped in ensuring that the SMS are being sent by authorized officers only &amp; each supervisor was made accountable for the booths allotted to them. The dashboard depicts graphical representation of votes polled percentage in each PC (Green Bar) along with its comparison with votes polled in 2009 Lok Sabha Elections (Red Bar) Counting monitoring dashboard: A web based e-Dashboard for Counting of votes was also developed at NIC Haryana in Coordination with the office of Chief Electoral Officer, Haryana. This dashboard was implemented on 16/05/2014 during the counting of votes for Lok Sabha elections 2014. The e-Dashboard is web based dashboard which has three separate modules: 1. Data Entry Module for uploading data from counting centers. 2. Monitoring module for the CEO and Returning Officers. 3. Public View. The data on e-Dashboard was populated by 90 users from over 30 counting locations. The e-Dashboard helped the Returning officers to monitor round wise position of counting statistics. The CEO could monitor the counting progress for whole Haryana and the public view provided graphical details of counting progress, party positions and lead margins of various candidates to general public. The e-Dashboard was hosted at NIC Haryana Data Centre under the URL <a href="http://electharyana.nic.in">http://electharyana.nic.in</a>. The RO module had the facilities to update postal ballots information (Round 0) and also to lock the final positions after counting completion. The public view software has the features to show candidate wise votes polled in Parliamentary constituency, the leading candidates along with lead margin, four trailing candidates and NOTA votes. It also depicts the progress of counting i.e. % of counting completed in each segment, a bar chart depicting the party positions and a pie chart showing vote share of various political parties in whole state as well as in each PC. CEO, Haryana, ROs, DEOs, AROs &amp; other authorities continuously monitored the result trends till results were finally declared. A media centre was setup in CEO office and all RO offices where the result trends were showcased to media using NIC Haryana Counting Dash Board software.</p> <p>1.Chief Electoral Officer, Haryana and elections department Haryana, 2.District administration of concerned districts, 3.Polling staff, 4.General population of the state and the Country, 5.Media.</p>
<b>Beneficiary of the project</b>	
<b>Details of Project Head</b>	
<b>Name</b>	Shrikant Walgad, IAS
<b>Designation</b>	Shrikant Walgad, IAS
<b>Gender</b>	Male
<b>Address</b>	Top Floor, 30Bays Building Sector 17 Chandigarh
<b>Pincode</b>	160017
<b>State</b>	Haryana
<b>Phone Number</b>	1722701200
<b>Mobile Number</b>	9501054111
<b>Email-ID</b>	p.kaushal@nic.in
<b>Details of team members, if any, other than Project Head:-</b>	
<b>Name(1st team member)</b>	Srikant Walgad IAS
<b>Designation(1st team member)</b>	Chief Electoral Officer Haryana
<b>Name(2nd team member)</b>	Ghan Shyam Bansal
<b>Designation(2nd team member)</b>	DDG and SIO NIC Haryana
<b>Name(3rd team member)</b>	Surjeet Singh
<b>Designation(3rd team member)</b>	Technical Director NIC Haryana

Name(4th team member)	M P KulShreshtha
Designation(4th team member)	DIO Hisar Haryana
Name(5th team member)	Pardeep Kaushal
Designation(5th team member)	Technical Director NIC Haryana
Name(6th team member)	
Designation(6th team member)
